Well we had a very interesting and entertaining evening last Friday when Julian Bray visited us to give us a wonderful mixed media demonstration. His subject was harbours and we were intrigued with his distinct style of work. He has such a likeable manner and made the demo really enjoyable.

As you may remember we recently had a wonderful artist, Greta Vilidaite, join us to give a demo in oils. I remember many of you saying how much you enjoyed her demo and she recently got in touch with me to pass on some dates for upcoming workshops in fairly local areas. I have highlighted three that some of you might be interested in. For further information from Greta please contact her by email on [greta@gretavilidaite.co.uk](mailto:greta@gretavilidaite.co.uk)
